MinRex Resources exploring for gold across multiple projects

MinRex Resources Ltd (ASX:MRR) has completed a new exploration program at its Deflector Extended Gold Project and commenced a new field program at its East Pilbara projects.

Exploration at Deflector included new detailed geological evaluation and sampling program with 253 new soil samples and 32 new rock samples collected.

MinRex has now collected a total of 566 surface rock samples, 594 soil samples and 185 auger drill samples from Deflector.

Fieldwork has defined significant anomalous zones for further examination and sampling to date.
