## Next Green Wave begins trading on the OTCQB venture market

Next Green Wave Holdings Inc (CSE:NGW) (OTCQB:NXGWF) is set to begin trading on the OTCQB venture market under the ticker "NXGWF" as of Friday morning.

Shares of the company jumped nearly 9% to C\$0.31 and were up slightly to US\$0.24 on the US exchange.

"Since we listed on the CSE, we've had a huge amount of interest out of the US," said executive chairman Leigh Hughes in an exclusive interview with Proactive Investors' Steve Darling.

"Being able to give these interested people and companies the ability to invest in us and be supportive of Next Green Wave is important. US exposure is everything," added Hughes.

The company has acquired more than 15 acres of cannabis-zoned development land and is nearing the completion of its 32,000 square foot facility in California.

The Canadian cannabis company provides medical and recreational cannabis to the California market.

Hughes touted the California market as not only being one of the largest in the world, but also highlighted its "dynamic, edgy cannabis culture."
