Paradigm Biopharmaceuticals secures \$61.3 million in first stage of raising

Paradigm Biopharmaceuticals Ltd (ASX:PAR) has secured \$61.3 million in funding from the institutional component of its rights issue and placement priced at \$1.50.

An additional \$16.6 million is expected to be raised through the retail component of the rights issue, which will open next Wednesday 24 April 2019.

This will take the total capital raising to \$77.9 million as outlined earlier to the market on Monday.

Paradigm's managing director Paul Rennie said: "On behalf of the board we delighted with the overwhelmingly positive response to the release of the osteoarthritis phase 2B secondary endpoint data (on 15 April) and this capital raise.

"The board believes that Paradigm has now secured funding for purposes including the conclusion of our pivotal phase 3 clinical trials for OA and MPS.

New international investors on board

"I take this opportunity to welcome new institutions from the UK, USA, Asia and Australia to the register and to thank our existing shareholders for their ongoing support.

"From a clinical perspective I note the significance of the indicative regression of disease demonstrated by our secondary endpoint data.

"With this combination of funding and compelling clinical data the company is well placed to progress its clinical program whilst pursuing potential commercial transactions."
