### READ: Construction now underway at Salt Lake Potash's Lake Way Project

Having obtained the grant of relevant permits in April 2019, the company began the first phase of construction works at its Lake Way Brine Project in Western Australia.

The project is estimated to contain more than 80 million tonnes of sulphate of potash at very high grades.

Salt Lake Potash also entered into a binding split commodity and access agreement with Blackham Resources Ltd (ASX:BLK) in relation to the Lake Way project.
