Coffee with Samso: Episode 1, a conversation about tungsten with Mark Strizek

In this first episode of Coffee with Samso chats with Mark Strizek who was the ex-managing director of Vital Metals Limited (ASX:VML) which had the Watershed Tungsten Project.

We discussed the tungsten market in general and what is the future demand, supply and project viability.

Mark has a lot of experience in the tungsten market as he dealt extensively with the Chinese looking at how to improve processing tungsten for the Watershed project.

He is a man with a wealth of insights into the sector that is not readily available in the market. It is worth the whole 18 minutes.

I hope you enjoy the chat and find that the topics are useful.
