Bragg Gaming-controlled ORYX Gaming inks deal to add Stakelogic casino games

Bragg Gaming Group's (CVE:BRAG) (OTCMKTS:BRGGF) subsidiary ORYX Gaming is adding a new roster of games to its arsenal.

The content aggregator signed a deal with Stakelogic, an Amsterdam-based casino game designer known for its modern takes on slot machines, to integrate its portfolio into the ORYX Hub.

The agreement includes popular games such as Book of Adventure, Book of Cleopatra, Classic Forties and Encharmed, as well as new releases like Mayan Wild Mystery and Wild Stallion.

"We welcome Stakelogic to our platform and are excited that our partners will be able to access its extensive games portfolio through one simple integration," ORYX CEO Matevž Mazij said. "Stakelogic is widely recognized and respected in the industry and we're particularly pleased to have a partner with strong experience in the Dutch market, which is expected to open in 2021."

The ORYX Hub allows its partners to pick and choose titles from more than 80 video game developers including Gamomat, Red Tiger, Evolution, iSoftBet and many others. ORYX showed off the Hub at the iGB Live conference in Amsterdam, which is where the agreement with Stakelogic was struck.

Bragg's shares added 2.56% in Toronto.
