## 'Growth projects emerging' for oil juniors, says Proactive's Jamie Ashcroft

"It's been a good start to the year", says Proactive Investors Oil Correspondent Jamie Ashcroft.

"We've obviously seen support from crude prices after the volatility of recent years - there's now a bit more stability at the moment and the companies that have survived the downturn are looking at \$50+ a barrel and that's probably decent enough for a lot of their plans".

Ashcroft also runs through 'the magnificent seven' - the oil juniors who've now more than doubled in value.
