## New kids on the block Pulse Oil Corp get ready to raid Canada

Brand new oil and gas acquisition company Pulse Oil (CVE:PUL) has only just gone public and is already building quite a reputation while leaving lots of room to grow. With assets in Queensland, Alberta CEO Garth Johnson tells us how he aims to grow Pulse Oil significantly from now on.

Pulse raised C\$4.8mln in the first tranche of its placing. They didn't close the second tranche of financing but instead decided to work with strategic partners and larger investors.

Impressive executive and operational teams are steering Pulse now through low cost drilling, low cost production and low cost acquisitions through the rest of this year and Garth says he's determined to turn a profit by speeding up operations to increase production.
