## SilverSun CEO says catalyst for company's growth is its partner success program

SilverSun Technologies Inc (NASDAQ:SSNT) CEO Mark Meller tells Proactive Investors the company's partner success program allows it to work with smaller partners and align customers operating under SilverSun's umbrella.

Meller says acquisitions are also an important part of the business. SilverSun, which provides business technology solutions and services, has completed 14 acquisitions in the last seven years, the most recent just this week.

Meller says the company recently announced that it is entering the securities operations business, in partnership with CyberHat, a leading Israeli Security Operations Center.
