## Motif Bio announces US FDA approval deadline for its antibiotic drug

Motif Bio (LON:MTFB, NASDAQ: MTFB) CEO Graham Lumsden tells Proactive Investors the US FDA has begun the process of assessing whether the company's next-generation antibiotic should be allowed to go on sale in the US.

Motif's drug iclaprim has been granted a priority review by the regulator, with a decision deadline known as a PDUFA date, of February 13 next year.

Lumsden says the company is also working on identifying a partner to commercialize the drug.
