Smarten Spaces launches new property technology platform in the US

Smarten Spaces CEO Dinesh Malkani tells Proactive Investors the Artificial Intelligence and Internet of Things provider is offering its latest SaaS technology focused on workplace transformation.

Malkani says the Singapore-based company is in New York to present at MIPIM Proptech NYC 2018, one of the world's leading real estate and tech events, where it will push out its technology that improves productivity and reduces operational cost.

The tech company is privately held, but has plans for a Series A funding round mid 2019.
