## Artemis Resources focused on transition to cash flow after strategic review

Artemis Resources Ltd (ASX:ARV) chief executive officer Wayne Bramwell updates Proactive Investors on the gold explorer's strategic review following its major board restructure last month. "The immediate focus for the company will be to systematically advance Artemis' controlled gold assets and also advance third-party toll-treating opportunities as another mechanism to get Artemis to cash flow," Bramwell says. The company is the first in the West Pilbara to consolidate a large package of prospective gold tenements with a processing plant.
