MGX Renewables sees a path forward with silicon and electric vehicles

MGX Minerals (CSE:XMG:OTCQB:MGXMF) President and CEO Jared Lazerson sat down with Steve Darling from Proactive Investors Vancouver to talk about their unique and successful partnership with the University of British Columbia.

Through that research, the group has successfully developed a novel hybrid organic-inorganic material for use in engineering silicon interfaces. Lazerson talks about why that is so important and the potential it has for electric vehicles and cell phones.
