Full interview: American Battery Metals Corporation looks to solve battery metals supply chain problem

American Battery Metals Corporation (OTCQB:ABML) Head of Business Development and Government Affairs Doug Nickle tells Proactive the lithium explorer agrees with Tesla's supply manager for battery metals, who recently expressed concern about the shortage of battery metals for electric vehicles.

Nickle says the Nevada-based company is looking at a few different vertically integrated strategies, like battery recycling to address the challenges in the battery metals supply chain and is in discussions with the US Department of Energy, and other market battery recyclers.
