Gold Resource Corporation (NYSEAMERICAN:GORO) declared its monthly instituted dividend of one-third of a cent per share for January 2020, payable on February 24, 2020 to shareholders of record as of February 11, 2020. Gold Resource is a gold and silver producer, developer and explorer with operations in Oaxaca, Mexico and Nevada in the United States. The company has returned \$113 million to its shareholders in consecutive monthly dividends since July 2010 and offers its shareholders the option to convert their cash dividends into physical gold and silver and take delivery. Shares of the firm closed at US\$5.06 in New York on Monday.

Explorex Resources Inc (CSE:EX) (OTCMKTS:EXPXF) reported grab sample assays from its Fall 2019 exploration program at the Bonanza mountain precious and base metal project in British Columbia, which showed high grades.

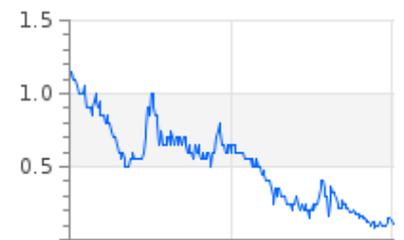

Three separate styles of mineralization were discovered as 1,074 soil samples and 54 rock samples were taken at the site, which saw significant exploration and development from the late 1800s through to the early 1900s, the firm said. The high grades were collected at or near 15 historical workings, comprising shafts, adits and blast pits.

KinerjaPay Corp (OTCMKTS:KPAY) said Monday that it expects to receive a bank guarantee of \$30 million this week to fund its KFUND lending operation. The guarantee is a crucial step in activating its \$25 million credit facility, which will allow the mobile payment solutions company to draw down \$22.5 million over the next three months. The company received a transmission from the Bank of China scheduling the transfer for January 29. The final transfer, an MT-760, will be sent on behalf of Infinity Venture Capital Pte Ltd after the banks reopen following the Chinese New Year holiday break, the company said.

LiteLink Technologies Inc (CSE:LLT) (OTCMKTS:LLNKF) announced Monday that its subsidiary uBUCK Technologies SEZC has closed the second tranche of a non-brokered, non-dilutive private placement. Under the second tranche, uBUCK issued 1 million preferred shares at a price of US\$0.50 for gross proceeds of US\$500,000. uBUCK also expects an additional minimum investment of US\$1.5 million will be made in exchange for 3 million preferred shares at a price of US\$0.50 by June 30, 2020. The investor will also have the option to invest an additional US\$2.5 million for a total of 8 million preferred shares at a price of US\$0.50 by September 30, 2021. Codebase Ventures Inc (CSE:CODE) (OTCMKTS:BKLLF), a venture capital company investing in early-stage technology and cannabis companies, said Monday that its wholly-owned subsidiary, Titan Shrooms & Psychedelics Inc, has made its first investment in Netherlands-based Red Light Holland Corp., which focuses on the production, growth and sales of truffle-based products. "We believe Codebase shareholders will benefit from Red Light Holland's unique approach with its focus on truffles and whole fungi medicine, moving away from synthetic alternatives," said Brian Keane, a director with Codebase Ventures. Red Light Holland Corp is strategically based in the Netherlands, a jurisdiction where selling truffles is legal. Red Light Holland believes in the entourage effect of 'whole fungi' medicine and is designed to profit off of the entire truffle.

Weekend Unlimited Industries Inc (CSE:POT) (OTCMKTS:WKULF) has had a great start to its operations in Oklahoma, where its branded products are now available in 35 stores, with 2,020 units sold since mid-December. As a result, the cannabis-focused firm said it will accelerate its launch of Orchard Heights branded products in the US state, with a target to have them in the market by the end of the first quarter.

LexaGene Holdings Inc (CVE:LXG) (OTCMKTS:LXXGF), the biotechnology company, is receiving numerous requests and inquiries about its technology for detecting the deadly coronavirus, which first struck in the Chinese city of Wuhan. The new pathogen, which can be identified with LexaGene's technology, first surfaced last December when workers in Wuhan developed symptoms of severe pneumonia after being infected with this previously unknown virus.

CytoDyn Inc (OTCMKTS:CYDY) announced that an abstract on the potential of its drug candidate leronlimab for the prevention of HIV has been accepted for presentation at the Conference on Retroviruses and Opportunistic Infections in Boston. The presentation will detail a recent study that shows leronlimab preventing intrarectal transmission of Simian-HIV in macaques. The presentation will take place at 2:30 pm ET on March 9 at the Hynes Convention Center. One problem with current PrEP HIV-prevention treatments is the necessity of a daily regimen, CEO Nader Pourhassan said, which makes long-term treatment difficult. Leronlimab, on the other hand, is a once monthly 700 milligram injection.

BevCanna Enterprises Inc (CSE:BEV) (OTCMKTS:BVNNF), a manufacturer of cannabis-infused beverages, announced Friday that its board of directors has appointed John Campbell as the company's chief financial officer and corporate secretary. In a statement, the Vancouver-headquartered company said Campbell's appointment filled the vacancy left by Oleg Scherbina. BevCanna Enterprises thanked Scherbina for his contributions to the company.
