Alpine 4 Technologies' subsidiary QCA expected to report record 3Q revenue

Alpine 4 Technologies Ltd (OTCQB:ALPP) CEO Kent Wilson tells Proactive its subsidiary Quality Circuit Assembly (QCA) is expected to report third quarter revenue between \$2.8 million and \$3 million, which Wilson says is its strongest quarter yet.

Wilson says the increase is due to the addition of new technology customers who have been able to help counteract the effect the coronavirus pandemic has had on some of QCA's longtime customer base.
