Water Tower Research analyst Shawn Severson to talk with EV maker Kandi America in Fireside Chat series

Water Tower Research (WTR) announced Monday that Shawn Severson, head of its ClimateTech & Sustainable Investing research division, will talk Tuesday with electric vehicle (EV) producer Kandi America as part of its ongoing Fireside Chat series.

Kandi America is a subsidiary of Kandi Technologies (NASDAQ:KNDI), a major electric vehicles player in China. Severson will chat with CEO Johnny Tai about Kandi's newly introduced EVs, and how it intends to build its marketing and distribution network in the US

The program, scheduled for noon ET on September 29, is titled, "A Conversation with Chinese EV Leader Kandi on Their Entry into the US Market."

WTR's Fireside Chat series enables investors to dive deep on specific subjects impacting a variety of companies, the firm said in a statement. It, along with other WTR research and events, is open to the public. Interested investors can register here .

For Kandi, the big question for investors is how the company will proceed in the US after it kicked things off in August with a virtual launch event with the theme of "Auto EVolution for All."
